

02 July 2025

Prof. HUANG JINHUI
Professor NANKAI University
No. 23 Hongda Street, Binhai New Area Development Zone, Tianjin Nankai University Teda Campus
huangj@nankai.edu.cn

Dear Prof. HUANG,

On behalf of the Asia Oceania Geosciences Society, we invite your participation at the society's 22nd Annual Meeting (AOGS2025). The event will only be held in-person from 27 July to 01 August, 2025 at the Marina Bay Sands Singapore's Expo and Convention Centre.

There will be a scientific conference as well as an exhibition. Additionally, there will be a general assembly, a general election for the 2026-2028 office bearers, along with the presentation of the usual annual society honours and awards. The eight geoscience disciplines of the society-Atmospheric (AS), Biogeoscience (BG), Hydrological (HS) Interdisciplinary (IG), Ocean (OS), Planetary (PS), Solar & Terrestrial (ST), and Solid Earth (SE) -are the focus of the annual meeting, which is open to scientists, researchers, and practitioners in these fields. Key highlights of the annual meeting include:

Key lectures by renowned experts in geosciences

Presentations by award winners

Interactive workshops and panel discussions

Networking sessions and exhibition

Detailed information on the program will be provided closer to the event. We recommend checking back regularly for the latest updates at the conference website. Please book mark this URL:

<https://www.asiaoceania.org/aogs2025/public.asp?page=home.asp>

We hope this invitation will support your request for travel leave from your organization and visa application.

Should you need additional documentation or assistance, do not hesitate to email the secretariat at info@asiaoceania.org

We look forward to welcoming you to AOGS2025 in Singapore!

Yours sincerely,

Ms Cheng-Hoon KHOO
Managing Director, Meeting Matters International
