OFFICIAL LETTER OF INVITATION

To whom it may concern,

The Korea University, the Research Center for Eco-Environmental Sciences, CAS, and Nanjing University are hosting the 19th *International Symposium on Persistent and Toxic Substances and Health* (ISPTS-2025), which will take place from September 28 to October 02, 2025 in Seoul, Korea (<https://ispts2025.com/>).

The Organizing Committee of ISPTS-2025 has accepted the work entitled “*Formation and Impacts of biomolecule-corona on the biological effects of AgNPs*” and is inviting the person named below to participate and present the work to the Symposium:

Name: **Lingyan Zhu**

Date of birth: 23-Aug-1968

Passport No: PE1992671

Affiliation: Nankai University, China

Address: Tongyan Road 38, Jinnan District, 300350, China.

The conference will provide a forum for scientists and engineers in Academia and Industry to come together and explore future trends and the latest research progress and developments in the area of persistent and emerging contaminants.

This electronic invitation letter is identical to the original printed invitation letter.
