

Date: 2 Jun 2025  
Subject: Invitation Letter  
To: Xiaohui Bi

1. We hereby invite  
Xiaohui Bi  
PE1672538  
College of Environmental Science and Engineering, Nankai University  
[bixh@nankai.edu.cn](mailto:bixh@nankai.edu.cn)

to attend AOGS2025, the 22<sup>nd</sup> Annual Meeting of the Asia Oceania Geosciences Society (AOGS). From July 27 to August 1, 2025, AOGS2025 will only take place in person at the Sands Expo & Convention Centre, Marina Bay Sands Singapore. There will be a scientific conference as well as an exhibition. Additionally, there will be a general assembly, a general election for the 2026-2028 office bearers, along with the presentation of the usual annual society honours and awards. The eight geoscience disciplines of the society – Atmospheric (AS), Biogeoscience (BG), Hydrological (HS) Interdisciplinary (IG), Ocean (OS), Planetary (PS), Solar & Terrestrial (ST), and Solid Earth (SE) – are the focus of the annual meeting, which is open to scientists, researchers, and practitioners in these fields. For complete information about AOGS2025, please visit this website: <https://www.asiaoceania.org/aogs2025/public.asp?page=home.asp>

2. Xiaohui Bi will participate to deliver a presentation

Abstract Title: Future Emission Pattern of Natural Crustal Dust in China Under the Background of Climate Change and Dual-carbon Policy  
Presentation Mode: Oral

3. The attendee intends to travel from 27 Jul 2025 to 1 Aug 2025.
4. All expenses during the visit, including travel, accommodation, and daily costs will be covered by the attendee.

We kindly request you to approve the visit and/or issue the appropriate visa to facilitate their attendance. For further clarification, please contact the undersigned.

Yours sincerely,

Ms Hui Juan TEO  
Executive (Conference Management), Meeting Matters International
