Dear Prof. Xiaohui Bi

The organizing committee has the pleasure to invite you to attend the “*Japan-Sino Symposium on Aerosol Chemistry*”, taking place at Chuo University, Tokyo, Japan, on August 3-6, 2025.

The purpose of this symposium is to address different issues related to air quality improvements and future challenges in line to human health and climate change, to exchange ideas about current research dealing with these issues, and to foster academic exchange and collaboration between academic experts between China and Japan.

Looking forward to meeting you at Tokyo.

Yours Sincerely,

Dr. Masao Gen
