14 April 2026

Dear Prof. Wu Jing:

It is my pleasure to invite you to visit the School of Social and Environmental Sustainability, University of Glasgow (UofG), as a visiting researcher during the period from 4 July 2026 to 15 July 2026. The purpose of the visit is to discuss the progress of the joint teaching programme and to discuss further joint activities between Nankai University and UoG for the future.

The School of Social & Environmental Sustainability (SES) provides an excellent research environment for interdisciplinary climate resilience and nature-based solutions research. SES has internationally recognised strengths in: Climate adaptation and resilience research; Nature-based solutions and ecosystem-based adaptation; Environmental modelling and spatial analysis; Socio-ecological systems and sustainability science

I fully support your visiting research and believe that you and the UofG will benefit from this collaboration.

As I understand, all of the costs during your stay will be covered by your department. Please do not hesitate to contact me if you have any further questions regarding your visit.

Best regards,

Dr Jiren Xu

Director of Research, School of Social and Environmental Sustainability
Programme director of MSc Environmental Science in the University of Glasgow-Nankai
University Joint Graduate School
