Bologna, 1st June 2026

OFFICIAL LETTER OF INVITATION

To whom it may concern,

The *Alma Mater Studiorum* Università di Bologna, the State Key Laboratory of Environmental Chemistry and Toxicology SKLECT, and the Nanjing University are hosting the 20th *International Symposium on Persistent and toxic Substances and Health* (ISPTS 2026), which will take place from September 9 to 13, 2026 in Bologna, Italy (<https://www.ispts2026.com/>).

The Organizing Committee of ISPTS 2026 has received the registration, and the work entitled “*Nanotechnology-enabled green remediation of legacy and emerging groundwater contamination at complex industrial clusters*”, and is inviting the person named below to participate at the Symposium:

Name: **Wei CHEN**
Date of birth: 17-March-1970
Passport No.: PE1990580
Affiliation: Environmental Science and Engineering, Nankai University
Address: Wanke Shuijingcheng 1-9-202, Jiefangnan Rd., 300350 Tianjin, P.R. China.

The conference will provide a forum for scientists and engineers in Academia and Industry to come together and explore future trends and the latest research progress and developments in the area of persistent and emerging contaminants.

This electronic invitation letter is identical to the original printed invitation letter.

Authorized signature (Local Conference Chair)
