INVITATION

Dear Prof. Jinhui Jeanne Huang;

I hope all is going well. It has been a long time since we have discussed so many of our collaborative activities on research. We would like to invite you to come to University of Guelph for the period from August 16 to 31, 2026. During your stay at University of Guelph, you will be invited to share ideas and information about advanced science and technology developments in hydrology with our faculty members and students.

We hope that you can accept this invitation. If you have any question for this invitation, please do not hesitate to contact me.

We look forward to welcoming you.
